We were delighted and proud to host members of your organization on a tour on April 5 of our facilities. Already, Corporal Lucie Boudreault has come up with many exciting and dynamic ideas to build the relationship between members of the Military Police Fund for Blind Children and the MAB-Mackay Rehabilitation Centre in the future. We look forward to being in touch with you very soon to build upon these ideas.

Kindly find attached the official tax receipt for your records. Should you have any further questions, please do not hesitate to contact me.
