

Military Police Fund for Blind Children

To Whom It May Concern:

My son Michael has attended Camp Hornby for just the last two years. Having a child with a visual impairment is difficult, however, even more difficult finding activities that are safe and suitable for his needs. Camp Hornby has been an incredible experience for Michael in so many ways. He has done activities at Camp he never thought he would ever do, I'm sure! The staff and volunteers are exceptional in all that they do for the children; Michael always has some great stories.

If it wasn't for your generosity, I am not sure if we would be able to send Michael to Camp Hornby as I'm sure the costs would be too high. I am writing to you with great gratitude for your contribution in making children smile! You have made a huge difference in someone's life.

Thank you,

Lara McCutcheon
