

The Military Police Fund for Blind Children Wins Again MCpl Philippe Turgeon, CFNIS ER

The 9th annual MP hockey tournament was held at the Valcartier Garrison arena from the 22nd to the 24th of March. Nine MP teams from the Maritimes to Ontario got together to raise funds for the Military Police Fund for Blind Children while they competed with some old friends in the fun and spirited game of hockey.

The CFNIS HQ team from Ottawa won the final game of the tournament. The deciding match was a fast-paced and exciting game, but the younger, faster team from 5 MP Regt could not beat the older more experienced HQ team. The final score was 4-3 for CFNIS HQ.

A big “thank you” to our sponsors and participants, whose hard work and donations helped us raise over \$7000 for the Military Police Fund for Blind Children. Without them, we could not have held an auction for two autographed hockey jerseys during the meet and greet. The vintage Montreal Canadians jersey, autographed by Michael Cammalleri, was sold for \$400 and the vintage CCCP jersey (1972 series), autographed by Vladislav Tretiak, was sold for \$425, with all proceeds going to the Military Police Fund for Blind Children.

MWO André Gagnon, a member of the CFNIS ER team and the hardworking president of the tournament is pleased with the end result and hopes to see everyone on the ice again next year!
